Steering Committee,
Thank you all for participation on this committee and in the February monthly conference call. AWWA appreciates your patience in waiting for the publisher contact to be signed. The following files relating to yesterday's call are attached for your reference. I have included the description of proposed changes that was sent to the authors in October 2017 for your reference. I will hold off on any schedule updates until we get a firm start date from AWWA, hopefully before our next call.

- Teleconference Meeting Notes, draft dated 2/14/2018
- Consolidated Contact List, updated 2-15-2018 (added coordinator column and updated contact info)
- Master Description of Proposed Changes, dated 3/29/2017, as sent to the authors in October 2017

Please let me know if you have any comments or corrections to these documents. As always, these documents are for our internal use only.

Our next conference call will be Wednesday, March 14, same time. Tony Petrites will send out the meeting invitation with the access code.

Thank you for your patience and participation on this committee.

Doug
